Longer Bio

Sara Watterson is a fiction writer, author of uplifting and clean young adult science fiction and fantasy.

Sara holds a bachelor of science degree from the journalism and mass communication department of Abilene Christian University. She teaches digital art to high school students while also managing her growing website, <https://www.bookseriesrecaps.com>. Here she curates book recaps while also assisting parents in finding clean books for teens on her page called [Clean YA Books for Teens, Tweens, or Anyone](#) (clean, meaning no explicit language or sex).

When not writing, teaching, or enjoying her kids' myriad activities, Sara likes reading on the back porch, drinking coffee, and hanging out with her super-cute hubby. (His real-life single dimple serves as inspiration for one of Sara's fictional favorites.) They live in central Oklahoma with their three children.

Sara is available for interviews either in-person or online.

5 Fun Facts about Sara Watterson

1. Sara teaches high schoolers how to use Photoshop and sometimes feels like she's giving them too much power!
2. She's really good at roller skating.
3. It took her six years to write her first novel.
4. She can't snap her fingers.
5. Though she's a suburb girl now, Sara grew up on a farm and knows how to drive a tractor. She even showed a hog at the country fair.
